

ICS Boys Basketball

Dear Parent(s) or Guardian,

My name is Michael Bauder and I will be coaching the ICS Boys' Basketball teams this year. Our practices are held Tuesday, Wednesday and Friday. Practices will begin immediately after school and will end at 5:00 pm at the Arthur Street Elementary School Gymnasium. It is imperative that parents be available to pick up their child. If you arrange for others to pick up your child, please make sure your replacement arrives **no later than 5:00 pm.**

I am very excited to have the opportunity to coach a growing team this season! I will divide them up into a varsity team and a junior varsity team. The 7th, 8th, and 9th graders will make up the JV team with a few of the 10th graders as well. The Varsity team will be 10th, 11th and 12th graders.

Our practices have shown that we have improved greatly over the summer. I look forward to a fast-paced, energetic season. Please show your support for the boys and girls teams and school by coming to the home games and even away games, as you are able. The practices and game schedules will be sent home with interested players within the next two weeks.

Please feel free to call me with any question or suggestion. Thank you for your support and willingness to be part of the team!

Serving the King,

Michael Bauder
